What we do today affects someone's life tomorrow

Definition The Quality Policy expresses our overall intention and direction with respect to quality. Established by management with executive responsibility, it states our objectives for, and commitment to, quality. Everyone at Philips is responsible for understanding, implementing, and maintaining the Quality Policy. It is integral to Being Philips. What we do today affects someone's life tomorrow.

Kommunizieren. Aber wie?

- Gemeinsame Basis finden
- Kommunikation einfach halten
- Interesse wecken
- Menschen inspirieren
- Authentisch sein und bleiben

Taxonomie/PoolParty

The screenshot displays the PoolParty Taxonomie interface. On the left, a hierarchical tree lists various document types under the 'Documents' root. The 'Product user manuals (IFU)' category is selected and highlighted in blue. On the right, a detailed view of this category is shown, including alternative labels, hidden labels, and a description. The description text is highlighted with a yellow box.

Acrolinx

Die neue Patientenüberwachung von Philips heißt IntelliVue. Der neue Direktor hat gestern die neuesten Intellivue-Monitore präsentiert. Das fand ich nicht so gut, denn der Name wird mit großem 'V' geschrieben und es ist wichtig, dass man den richtigen Markennamen verwendet. Außerdem hat er einige Male 'Phillips' statt 'Philips' geschrieben, was auch ein bisschen peinlich war.¶
